Impartiality and Independence Notice to Responsible Persons with regards to Lift Inspections as defined in Legal Notice 231 of 2007

Dear Responsible Person,

We would like to thank you for using our inspections services, and hope that following the inspection of your lift, you will find the time to fill in the feedback form we will be sending you with the certificate.

According to the requirements of local legislation, we are obliged to advise you of the following:

1. **NBEng. Services Ltd** is an independent lift inspection company, accredited to ISO 17020 by the NAB-Malta. The **Lift Maintenance/Installation Company** shall in no way act as a representative of **NBEng. Services Ltd** or speak on its behalf.
2. **NBEng Services Ltd** and the **Lift Maintenance/Installation Company** are completely independent of each other, and any activities carried out by **Lift Maintenance/Installation Company** have no relation or consequence to **NBEng. Services Ltd** or its Inspectors.
3. All lift inspectors employed by **NBEng. Services Ltd** shall carry out all inspection activities, which fall under its scope, **impartially** and **independently**.
4. The Responsible Person of any lift shall have the right to choose the inspector of their lift. Neither the **Lift Maintenance/Installation Company**, nor **NBEng. Services Ltd**, may in any way influence the Responsible Person's decision to choose a particular inspector.
5. The technical criteria for inspection have been stipulated in Legal Notice 231 of 2007 and various other documents. These are to be applied by **NBEng. Services Ltd** inspectors, irrespective of the technical competence of the **Lift Maintenance/Installation Company**.
6. It is the responsibility of the **Lift Maintenance/Installation Company** to ensure that the person accompanying the **NBEng. Services Ltd** inspector is suitably trained for the tasks at hand.

We hope our inspection services have met your expectations, and hope to be of service in the future.

Regards,
Ing. Nicholas Bellizzi
Director
